

OUR POLICY OF CARE AND PAYMENT

We at Dr. Wiley's office are proud to be part of a group whose primary mission is to deliver the most comprehensive quality dental care available today at an affordable cost. To accomplish our mission we must require payment at the time of treatment.

In order to help with this cost we will accept checks, major credit cards, and a flexible payment plan called CareCredit.

CareCredit allows you to start your treatment today and spread payments over time.
